

Amendments to the Specification

Please enter into the present application the corrected Substitute Sequence Listing being submitted herewith via EFS-Web. The corrected Substitute Sequence Listing is being submitted to replace the current Sequence Listing (previously submitted on March 14, 2007) and to correct the errors indicated in the Raw Sequence Listing Error Report (prepared by the STIC Biotechnology Systems Branch on March 16, 2006). In particular, the corrected Substitute Sequence Listing is being submitted to correct invalid or missing amino acid numbering. No new matter is being introduced by way of these amendments.
